EXPERIENCE

INTERNPE

May 2024 — June 2024

web Developer

Virtual

- During my web development internship at Internpe, I worked on several minor projects, honing my skills in front-end and back-end development. I contributed to a key section of a major project, gaining valuable experience in collaborative coding.

PROJECTS

SportIn | React, Node.js, Bootstrap, Express.js

May 2025

- SportIn is a MERN stack application designed to connect sportsmen with their academies and provide the latest news regarding their trials. Inspired by LinkedIn, SportIn serves as a dedicated platform for the sports community to network, explore opportunities, and stay updated with relevant information.
